## Your health policy has been cancelled

Hi Darragh,

Your policy has been cancelled from the date above. This means that you, along with any other members on your policy, are no longer covered under a health insurance policy with Irish Life Health. If you weren't expecting this, please contact us or your scheme administrator and we'll figure out what happened.

If any member on this policy had Travel Insurance or the Family Protection Plan included on their plan, this cover has also been cancelled.

If you'd like to keep your policy in place at the same premium for the remainder of the policy year, let us know and we'll be happy to arrange this for you. Just be sure to contact us within 13 weeks of the cancellation date above.

### Important Information

If you have a break in your health insurance cover of more than 13 weeks, you may have to re-serve waiting periods and pay a Lifetime Community Rating loading when you next take out health insurance.

If you need to get in touch, email [heretohelp@irishlifehealth.ie](mailto:heretohelp@irishlifehealth.ie) or contact us at 01-5625100. We'll be very happy to help.

Kind Regards,
